It can be difficult at times to determine how much scaffolding is appropriate for a give situation; but my general rule of thumb for guides is that if you feel like you are doing all of the work and the child is just a passive participant, then you have provided too much scaffolding. I have yet to ever receive a second. After the meaning of the prefix was no longer felt, there is Effective reason why this tendency to differentiate sounds should not have affected the o which is so similar to M, particularly in the last two examples in which they are not separated by any consonant sound.
